

ORANGE COUNTY SHERIFF'S DEPARTMENT
Santa Ana, California

TO: Field Operations Command Personnel
FROM: Assistant Sheriff Michael R. Hillmann *MRH*
DATE: November 25, 2008
RE: Home Garaged Emergency Response Vehicles and Transponders

Effectively immediately, as Field Operations Command personnel you are required to Home Garage an assigned, Orange County Sheriff-Coroner, emergency equipped vehicle.

Your responsibilities include driving this vehicle to and from your residence and to your duty station on a daily basis. Furthermore, this vehicle should be equipped with first responder, law enforcement equipment.

As command personnel, you are expected to have this vehicle available during off-hours and respond to emergencies 24-7. First responder equipment includes, but is not limited to Orange County Sheriff-Coroner, Toll Road Transponders allowing access to all areas within Orange County.
